Water Conservation Calendar

Conservation is an important way to provide for Utah's future water needs. By using our water wisely we can delay expensive water projects, improve water quality and protect Utah's environment.

UTAHWATERSAVERS.COM

Utah Water Savers was developed in 2017 by Jordan Valley Water Conservancy District as a way for their retail customers to apply for landscape incentives. With the help of the Utah Division of Water Resources and other regional water districts, Utah Water Savers has grown to offering statewide fixture rebates and landscape incentives to most Utahns. Visit UTAHWATERSAVERS.COM to see what rebates you qualify for.
